

Harlem River Bridge Connections

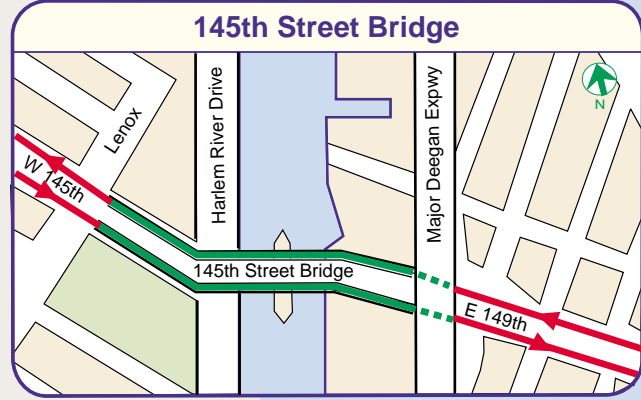

Street-Smart Cyclist

An approved bicycle helmet can greatly reduce the risk of death or permanent injury in the event of an accident. Look for the CPSC or Snell Memorial Foundation Standard stickers.

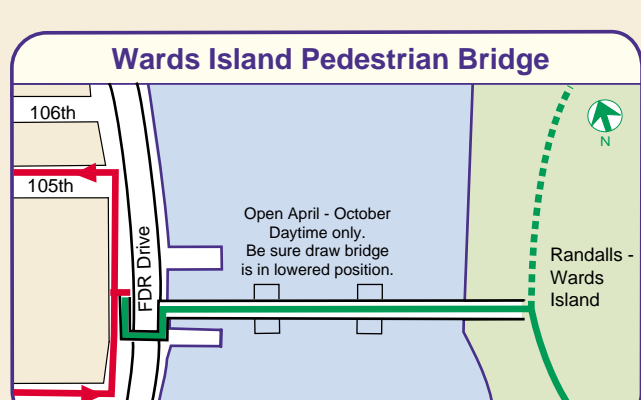

Street-Smart Skater

In-line skating is an effective form of low impact aerobic exercise. Wear safety equipment, control your speed and yield to pedestrians. Racing or trick-skating have no place on paths, sidewalks or roadways.

LEGEND

- On-street bike lane
- Recommended on-street
